

# BE THE CHANGE:

*Stories of personal courage, resistance and heroism*

a CANDLES Holocaust Museum initiative  
presents the award-winning film:

## “Nicky’s Family”

With a discussion by **Renata Laxova**

*Nicky's Family* tells of **Sir Nicholas Winton**, known by many as the “British Schindler,” who organized the rescue of 669 children from Prague just before the outbreak of World War II. Winton remained silent about his heroic efforts for more than a half century, until his wife uncovered a suitcase in the attic full of documents and plans. Today the story of his rescue is known all over the world. Now 104 years old, Winton has been knighted by Queen Elisabeth II and honored by Congress for his remarkable deed.

The film will be followed by a discussion and Q&A led by one of Sir Nicky’s surviving “children,” **Dr. Renata Laxova**, who escaped Prague for England on one of Winton’s Kindertransport trains at midnight on July 31, 1939.
