## Concentration Camp Sachsenhausen Jehovah's Witness

Members of the Jehovah's Witnesses religious sect (called *Bibelforscher*, literally "Bible student" in German) refused to perform military service and to give the Hitler salute. About 10,000 were confined in concentration camps; about 1,200 perished.

A notice on this September 20, 1942, lettercard states that the sender, Jehovah's Witness prisoner Wilhelm Becker, a "fanatical Bible student," has restricted mail privileges.
