

BE THE CHANGE:

Stories of personal courage, resistance, and heroism

CANDLES Holocaust Museum and Education Center presents:

Triumph of the Human Spirit

with special guest Anita Gray

Anita Gray is a Christian survivor of the Holocaust and a strong advocate of forgiveness.

The Nazis detained or killed people from many groups they considered a threat to the future of Germany. Thousands of Czech citizens were sent to camps and suffered atrocities similar to those perpetrated on the Jewish people. Anita Gray was 13 years old when armed soldiers separated her from her parents and inflicted unimaginable cruelty on her. Yet 60 years later, the power of the human spirit enabled Anita Gray to forgive the Nazi soldiers who caused her so much pain.
